EDUCATION

- **Purdue University *GPA: 3.24*** West Lafayette, IN
BS in Data Science (CS) May 2029
- **South Pasadena High School *GPA: 3.7*** South Pasadena, CA
High School Diploma August 2021 - June 2025

EXPERIENCE

- **Let's Code** Monterey Park, CA
Coding Instructor July 2024 - July 2025
 - **Material:** Created project-based curricula to teach children ages 7-14 coding languages and critical thinking skills.
 - **Teaching:** Communicated effectively to manage classes of 25 students, collaborate with instructors, and train new interns.
 - **Feedback:** Assessed students' progress and provided feedback to enhance learning.

PROJECTS

- **Purdue HelloWorld Hackathon Project (October, 2025) *Team Lead:*** Led a team of 4 to design and build a web-based application to automatically review resumes using AI. Worked over the course of 24 hours to flesh out idea, build, and test application. Involved heavy use of HTML/CSS, JavaScript, Python, and Docker.
- **CameraDynamics Engineering Project (August, 2024 - June, 2025) *Co-lead and Head Programmer:*** Worked in a team of 2 to build a panoramic video stitcher from scratch. Collaborated with school sports directors and students to gauge need and requirements for the project. Used Python with libraries such as OpenCV, NumPy, Tkinter, PIL, and FFmpeg.
- **MathWorks Math Modeling Challenge (March, 2024 & January, 2025 - March, 2025) *Head Programmer:*** Developed a collection of algorithms from scratch to be used during the M3 Challenge. Implemented single and multiple linear regression, gradient descent, and graphing of results. Used both Java and Python, with libraries like NumPy, SciPy, pandas, and matplotlib.

SKILLS

- **Proficient:** Java, Python, Kotlin, Data Structures and Algorithms, Debugging, OOP, Documentation
- **Comfortable:** C++, HTML/CSS, JavaScript, UI/UX
